

M&A Support Services

Sability is uniquely qualified to provide transaction support to our clients through our Managed Services, Implementation and Strategy & Advisory Service offerings. From deal infancy stage to post-close, we operate with ease and are 100% focused on guiding the HR function through the fast-paced M&A lifecycle.

Sability creates capacity to allow PE to focus on the financial impact of M&A activity on the EBITDA and margin, market synergies, growth areas and business structure. Sability is the only firm offering end-to-end services, reducing the risk of competing - or a la carte - vendors. Sability provides the full package of advisory services around the technology.
